GENERAL CONDITIONS**Rates:**

All Hotel Rates given are R.O.H. type (Room of the House) or standard room. In some cases the hotel may not have available the R.O.H., in which case we will charge the supplement for the room category confirmed. The Hotel reserves the right to change the rates indicated. Rates are not valid during fairs, congress and special events.

Reservation Fees:

US 6.00 PER PERSON.

Hotel & city Tax:

Unless otherwise indicated, all Hotel Rates quoted include local taxes current at the time of printing. Since we cannot control changes in tax rates, Hotel Rates are subject to change to accommodate unexpected changes in the tax rates.

No Show penalties:

We charge according to the Hotel bill (normally one night) plus our reservation fee. Please refer to "*Hotel Cancellations & Reductions in Group Size*".

Transfers, Tours & Services:

All bookings and transportation arrangements are made as **Guaranteed Arrivals**. NO SHOWS will be charged. Cancellations or changes of confirmed tours and other land services with less than 48 hours notice will be considered as "no shows" and full charges apply (please consider time difference and that our Office isn't open for normal business on weekends or National Holidays, and the 48 hour limit applies to **normal business days**).

Transfer services are scheduled according to the flight information provided on the agent's original reservation. If passengers arrive on different flights, **regardless of the reasons**, they will be considered "no show" and no further transfer services will be provided.

PAYMENTS AND DEPOSITS

Checks: We ONLY accept checks drawn on US accounts, payable in US currency.

Inter Banks transfers: Allow 8 days for transmittal. We require a separate e-mail or fax to our accounting department informing the amount transferred, name of passenger(s) or group(s) paid and the name of the Bank making the transfer. **Bank wire fees and service charges must be paid by the Originating Travel Agent.**

Direct Bank transfers in USD:

SWIFT address: CHASUS33
ABA #: 21000021
Beneficiary Bank Name: J.B.MORGAN CHASE BANK
Beneficiary Bank address: 2740 Park Ave. New York, N.Y. 1017-2070 USA
Beneficiary Account #: 886858984
Beneficiary Account name: **TGBP (TRAVELEX GLOBAL BUSINESS PAYMENT)**
Reference name and ID: **MADRID TRAVEL INC - 30036 US**

Payment:

All bookings placed with Madrid Travel, Inc. are payable in advance. In some cases arrangements can be made for billing provided that these arrangements are made at least 45 days in advance of your client's arrival and the terms of the billing arrangements have been approved by our Office. In all cases, billing arrangements must be secured by a "floating deposit". The amount of such deposit will be determined by our Office and any agreement for billing is subject to receipt of the floating deposit requested.

Date of payment:

Payments are due 10 days prior to your client's arrival. In some cases full payment or deposits will be requested earlier and due dates will be stated in our confirmations. Failure to comply with payment due dates may result in cancellation of services. Payment due dates indicate the date that payment must be received in our Office. It is the Agent's responsibility to choose the effective method of payment in order to have it in time. We are not responsible for delays in mailing, time for checks to clear, or errors by Banks. Payments are credited to the Agent's account only when the Bank credits the funds to Madrid Travel, Inc.

Vouchers:

In exceptional cases, when a client arrives directly to a hotel and does not have other land services confirmed, Madrid Travel will inform the hotel of this situation so that they accept the voucher issued by the originating Agent. This will avoid any inconvenience to the client. It is imperative to indicate in the voucher issued: **Reservation and "prepayment through Madrid Travel, Inc."** Duplicates should reach us prior to arrival of clients. Although every attempt is normally made to collect client vouchers to be returned with invoices, we cannot guarantee that vouchers will indeed be collected and payment cannot be withheld or delayed because of missing voucher copies.

Cancellations & Refunds:

Any complaint or claim should be registered with our Office immediately and should be accompanied by appropriate supporting documentation. Request for refunds or complaints must be made within 30 DAYS after the passenger's last service with Madrid Travel, and must be submitted in writing. A claim for refund or dispute may not be used to withhold payment on invoices or portions of invoices not under dispute. Refunds owed to Agents are normally withheld "on account", to be applied toward future transactions. Any refund or claim will be issued or paid to the booking Agent only and not directly to the passengers.

Hotel cancellations & reductions in group size:

All Hotel reservations are prepaid and guaranteed and will be held all night, unless cancelled in advance. Failure to cancel within the hotel's cancellation period will result in **"NO SHOW"** charges. If guests call the hotel directly to cancel a reservation made by Madrid Travel, they **MUST** secure a cancellation number from the hotel to receive the corresponding refund. Our office **MUST** be informed immediately. Hotels have different policies, although all require 3 working-days advance notice for FIT cancellations and may retain a cancellation penalty, even if their cancellation deadline is observed. Extremely unusual cancellation policies, such as Christmas and Holidays, will be notified in our confirmation. In case of cancellation or group room reduction, we will refund according to the reimbursement received from suppliers or hotels, after **deducting** our charges for communications and related expenses.

Responsibility:

Madrid Travel, Inc. is NOT responsible for the acts or omissions of any subcontractor including but not limited to: hotels, transportation & tour companies, restaurants and any other company whose services are included in an itinerary offered by Madrid Travel, Inc. In any case Madrid Travel's responsibility is limited to the prices charged for the subcontracted services. Madrid Travel's responsibility NEVER extends to: "Acts of God", weather, sickness, war or strikes. Under no condition will Madrid Travel, Inc. be liable for any personal injury, property damage or other loss a passenger incurs arising from acts or omissions stated above. In the event it becomes advisable or necessary, for the comfort, safety or well being of the passengers for any reason whatsoever, to alter the itinerary or arrangements contracted, such changes may be made without penalty to Madrid Travel, Inc.

Any use of the word *tariff* by Madrid Travel, Inc. is a use in its generic definition in the travel industry and is not, unless specifically so stated, a use of the word in its technical or legal definition under PUC or ICC rules.

History and description

The Taino Indians were Puerto Rico's inhabitants in 1493 when Columbus - on his second voyage to the New World - first set foot on the island, then called Boriken by the Tainos. In 1508 Juan Ponce de León became the island's first Governor. Initial cordial relations between the Spaniards and the Tainos did not last long; the Spaniards craved gold, but the island's supplies were limited, and they soon had to settle down to farming and raising livestock to make a living.

During the next three centuries settlers spent much time defending Puerto Rico from the Spanish Empire's traditional enemies, mainly the Dutch in 1625, and the English in 1595, 1598 and 1797 and the fortresses in Old San Juan grew more and more massive as a consequence.

At the same time, islanders struggled to develop an internal economy, based primarily on the production of cattle, sugar cane, tobacco, and coffee. By the end of the 19th century, Puerto Rico had succeeded in maturing socially, economically and politically. The 1815 Cédula de Gracias offered many advantages to immigrants from Spain and new Latin American republics. They in turn were instrumental in making Puerto Rico a top sugar exporting colony. Following the Spanish-American War in 1898, Spain ceded the island to the United States. Puerto Ricans became US citizens in 1917 and adopted Commonwealth status in 1952. After World War II, the island began an intensive industrialization program, and today they are a major producer and exporter of the manufacture of goods, high technology equipment and pharmaceuticals.

Geography and Climate

Situated between the Atlantic Ocean and the Caribbean Sea, Puerto Rico is the easternmost and smallest of the Greater Antilles. The 110 by 35 miles island has a central mountain range which reaches an altitude of 4,389 feet at Cerro La Punta. Numerous rivers flow down the mountains to south round coastal plains. The north coast is wetter and greener than the south coast, where cactus is common. To the northwest, haystack hills, caves and sinkholes, characterize unusual terrain. Though winter is somewhat cooler than summer, Puerto Rico enjoys year round warmth, with an average annual temperature of 77 degrees F. Dependable easterly trade winds keep the island comfortable and the skies sunny most of the time.

Population

More than 4.5 million people live in Puerto Rico, with one third of the population concentrated in the San Juan-Bayamón -Carolina metropolitan area. Spanish is the primary language, with English as a strong second language. The island's culture is a blend of Taino Indian, African and Spanish/ European, with more recent influences coming from the United States. A century ago, most people worked in agriculture, but today Puerto Ricans hold jobs in a variety of industries as well as in service institutions and business common to all metropolitan areas. Annual incomes, though low compared to the States, are highest in Latin America. Average life expectancy is a healthy 73.8 years.

Access

Puerto Rico has direct flights to cities throughout the world. In the United States, they include: Los Angeles, Dallas, Miami, Atlanta, New York, St. Louis and Chicago. In Canada: Toronto and Montreal. In Central America: Mexico, San Jose, Panama. In the Caribbean: Santo Domingo, St. Thomas, Martinique, Guadeloupe, Aruba, Barbados and numerous flights that connect Puerto Rico with most other islands in the Caribbean. In South America: Bogota, Lima, Caracas, Quito, Buenos Aires, Rio de Janeiro, etc. In Europe: Madrid, Rome, Paris, London, Frankfurt, etc.
